Groudle Glen Cottages

Directions from Ronaldsway Airport.

Drivers should leave Ronaldsway Airport and, at the roundabout, head north on the A5 through Ballasalla and Santon, negotiating three roundabouts on the way to the Quarter Bridge junction in Douglas.

Here, turn right at the first roundabout but make sure to stay in the left-hand lane as you wish to bear left, using the first exit on the second roundabout, on to the A2. Follow this route for 2.5 miles past the TT Grandstand and into the village of Onchan, passing through a roundabout and set of traffic lights before turning right, on to the B31, down Church Road.

Bearing left at the stop sign on to Groudle Road, you will then find yourself passing a golf course on your right before meeting King Edward Road, the A11 - the entrance to Groudle Glen Cottages will be seen to your left, just across the road.
